

April 2025 Trustee Candidate Profiles

Maggie Fiock

My name is Maggie Konich Fiock and I've lived in the 7100 block of Cornell for almost 6 years with my husband and two daughters. I want to help continue the important work of infrastructure improvements (roads, sidewalks, trees) as well as engage more with my fellow neighbors. I've been regularly attending the trustees' meetings for over two years and have been assisting the current trustees in an internship role. Thank you for your consideration!

Jodi Ladner

Hello, my name is Jodi Ladner. I have been a proud resident of the University Park Subdivision since 2005 and have actively participated in neighborhood meetings since moving here. I live with my husband, 2 children, and 3 dogs on the 7200 block of Princeton Avenue.

I am both a stay-at-home mom and a small business owner. I founded and run Gateway Off Track Thoroughbreds, which works closely with the horsemen at Fairmount Park Race Track in Collinsville, Illinois, to help retiring racehorses transition into second careers and find safe, loving new homes. We find safe homes for approximately 150 horses a year, it is my passion project. Prior to moving to Saint Louis, I worked in Marketing in Toronto (Canada), on major brands including Visa, Ericsson, Smirnoff, Veuve Clicquot, Johnnie Walker, Jose Cuervo and Habitat for Humanity. I am tech savvy, and have website, PR, communications, and branding expertise.

I am deeply invested in our community and would love the opportunity to serve our neighborhood. My focus is on improving our streets, sidewalks, and green spaces while ensuring that our efforts are efficient, responsive, communicated effectively, transparent, and cost-effective. My husband is a construction attorney and is also very invested in improving our subdivision and helping out when needed.

I look forward to working together to make our neighborhood an even better place to live!
